New City Manager:

The City Manager form of government was established in Bowling Green in 1969. Acting as executive agent of the elected officials, the City Manager administers the policies, procedures and directives established by the Board of Commissioners. Oversight and coordination of the daily operations of the City's nine departments and their divisions is the overall responsibility of this position. The Office of City Manager also incorporates the Assistant City Manager/City Clerk's Office, including Office of Purchasing, the Office of Internal Auditor, and the Office of Public Information.

Jeff Meisel is Bowling Green's sixth City Manager. Meisel began his career with the City in January of 2002 as City Treasurer and was promoted to Chief Financial Officer in 2006. Born and raised in Bowling Green, Meisel is a 1989 graduate of Bowling Green High School, a 1993 graduate of WKU with a Bachelor's Degree in Accounting, and a 1994 graduate of WKU with a Master's of Professional Accounting Degree. Meisel has been a Certified Public Accountant (CPA) since 1998 and still maintains that certification through continuing education hours in Governmental Accounting and Finance each year.

Jeff has served on various boards and committees including the Bowling Green Economic Development Authority Board, the Warren County Downtown Economic Development Authority Board, the Bowling Green Police and Firefighters Pension Board, the ITA Finance committee and the BG/WC Depot Committee.

"There were some 40 applicants, both internal and external for the position of City Manager and the Board of Commissioners took the time to review the information from each one," said Mayor Bruce Wilkerson. "The difficulty in our interview process was that all of the applicants were highly qualified and our internal candidates were well thought of in the community, by the Board and by fellow employees. We are confident in our final choice and welcome Meisel to his new role as City Manager."

Meisel has been married to his wife, Lou Ann for 18 years and has boy-girl twins, Landon and Macy, who are 13 years old and attending BGJHS. Jeff is a long-time member of Living Hope Baptist Church. In his free time, Jeff enjoys spending time with this family, watching his children on the golf and tennis teams and squeezing in a round of golf himself.

Fireworks Safety

- * Fireworks cannot be discharged on public property, including public roadways.

- * Remember to wear eye protection around lit fireworks.
- * Remember that any firework has the potential to cause serious injury so caution should always be exercised when using them.

- * Always keep a water hose and bucket of water close by for emergencies and to soak misfired or spent fireworks in.
- * If your clothes happen to catch on fire, remember to stop, drop & roll to extinguish the flames.
